STIPULATION

WHEREAS the relevant facts in support of the parties' concurrently filed Joint Motion To Convert January 28, 2011 Final Settlement Approval Hearing to Hearing for Tentative Final Settlement Approval And For Approval Of Modified Forms Of Notice Of Class Action Settlement (dkt. no. 990) ("the Motion") are fully set forth in that motion, the memorandum of points and authorities in support of that motion, its supporting exhibits, and the proposed order submitted.

WHEREAS the parties agree concerning the importance of mailing notice of the proposed class action settlement this action to the 1,872 persons impacted by the Motion as soon possible.

WHEREAS the parties believe that waiting to decide the Motion until after a formal hearing may unnecessarily delay the mailing of notice to those persons.

WHEREAS the parties agree that no hearing or oral argument in support of the Motion is necessary.

It is HEREBY STIPULATED by the parties, by and through their counsel of record, that, subject to the Court's agreement, that the need for a hearing on the Motion should be dispensed with, and that the Court should decide the Motion on the basis of the papers submitted without a hearing or oral argument from the parties.
